

Diane J. Frasier

Bio

Ms. Diane Frasier presently serves as the Director, Office of Acquisition Management and Policy, and is the Head of the Contracting Activity at the National Institutes of Health. Ms. Frasier oversees all of the NIH's acquisition policies, training, reporting and the awarding of contracts and simplified acquisitions. Prior to joining NIH, Ms. Frasier had a long career with the Department of Defense.

Her career in Federal Government began as a Presidential Management Intern with the Naval Sea Systems Command. Ms. Frasier holds a BA from the University of Virginia and MPA from the C.W. Post Center of Long Island University. Ms. Frasier is a 1993 graduate of the Industrial College of Armed Forces and a 1994 graduate of Harvard University's Senior Officials in National Security. Ms. Frasier has demonstrated her commitment to the acquisition profession through her active participation and leadership positions in NCMA and the National Association of Black Procurement Professionals(NABPP). Ms. Frasier is a CPCM, NCMA fellow and a member of NCMA's Board of Advisors.
